## Enrichment Year 7 Class 2025

Cardiff High School is offering Year 7 2025 students the opportunity to apply for placement in our High Potential and Gifted Students Enrichment Class. The class seeks to engage and challenge students to achieve at the highest levels and extend their learning opportunities through a range of curriculum initiatives including the development and presentation of an Enrichment Project.

To be eligible for selection, students are to complete an expression of interest, submit supporting academic documentation and participate in an Enrichment Day to demonstrate their strengths as a learner. The documentation is to include:

- 2023 Semester 2 School Report
- Year 5 NAPLAN results

The Enrichment Day will involve students participating in a range of academic activities to showcase their literary, mathematical and scientific abilities. This will take place at Cardiff High School on Thursday 28<sup>th</sup> June from 9am and end at 12.30pm. Sausage sizzle lunch will be provided. Students are to bring recess, pen, paper and their completed task for the literary component.

Applications should be submitted to Year 6 teachers or via email at [cardiff-h.school@det.nsw.edu.au](mailto:cardiff-h.school@det.nsw.edu.au) by 3pm on Friday 14<sup>th</sup> May (Week 5).

If you require any support to complete this application, please contact Amy Nicol Head Teacher Quality Teaching on 02 4954 9966.

Yours sincerely,

Amy Nicol  
Head Teacher Quality Teaching

Josh Gane  
Principal

**Cardiff High School**  
**Enrichment Year 7 Class 2025**

1. Tell us about you and your reasons for applying for the Enrichment class:

---

---

---

---

---

---

---

2. Describe some skills and accomplishments you have that make you well-placed for the Enrichment class 2025:

---

---

---

---

---

---

---

3. Identify three goals (one personal, one school-related, one for life beyond school) that you have set for yourself:

a) Personal:

---

---

---

b) School:

---

---

---

c) Life after school:

---

---

---

**4. This question is to be completed by a parent/caregiver.**

Provide some details about your child/ward. Why do you believe they would be a good candidate for the Year 7 Enrichment Class?

---

---

---

---

---

---

---

**To be completed and submitted to Year 6 class teachers by Friday 14<sup>th</sup> May (Week 5).**

## Cardiff High School Enrichment Day Information

The High Potential Enrichment Day will be hosted at Cardiff High School on **Thursday 28<sup>th</sup> June, from 9am – 12.30pm.**

On the day, students will be assessed across three main skill sets:

**1. English-Literacy:** students will be expected to complete a two-minute presentation outlining one of their passions/interests. They will need to have their presentation prepared **before** the Enrichment Day, to present to a teacher on the day. They may choose PowerPoint, Google Slides, or other program/resources to complete the presentation. They will also be expected to elaborate on their presentation in the form of a speech.

Skills focus areas:

- |                                 |  |
|---------------------------------|--|
| ✓ Technological skills          | ✓ Processing skills                      |
| ✓ Attention to detail           | ✓ Reasoning skills                       |
| ✓ Communication/speaking skills | ✓ Imagination, invention and originality |
| ✓ Commitment to at-home tasks   | ✓ Self-management                        |
|                                 | ✓ Interacting with others                |

**2. Mathematical:** students will engage in a series of puzzles and logic games to assess their mathematical abilities.

Skills focus areas:

- |  |                                 |
|--|---------------------------------|
| ✓ Processing skills                      | ✓ Self-management               |
| ✓ Reasoning skills                       | ✓ Understanding of key concepts |
| ✓ Imagination, invention and originality | ✓ The transfer of learning      |

**3. Scientific:** students will carry out an experiment.

Skills focus areas:

- |                        |                                 |
|------------------------|---------------------------------|
| ✓ Attention to detail  | ✓ Interacting with others       |
| ✓ Evaluative abilities | ✓ Understanding of key concepts |
| ✓ Processing skills    | ✓ Motor control                 |
| ✓ Reasoning skills     |                                 |
| ✓ Self-management      |                                 |

*Organisation for the events of the day will be communicated via primary schools after submission of the application forms and supporting documentation.*
