

Footwear Guide

Good footwear is an important safety item that protects feet from accidents such as sharp objects, chemical and liquid spills.

**Fully enclosed
leather shoes**

**Fully enclosed
leather jogger**

Students are required to wear fully enclosed leather shoes, in all Workshop and Practical areas, including Science Labs, Kitchens, Woodwork and Metalwork rooms.

Sport Shoe

Students can wear more appropriate footwear for PDHPE and Sport lessons.

Steel Cap Boots

Steel Cap Boots **MUST** be worn during Construction classes. They are not to be worn during the day.

No Canvas Shoes

No Canvas Shoes

Not Fully Enclosed

Canvas shoes **DO NOT** meet WHS requirements in schools. They do not offer any support or protection in practical lessons.
