4. Type your username and password into the relevant boxes that appear

Copy down your Maths Online username and password (given to you by your teacher in class) into the boxes below. Your username will be your initials followed by the numbers 5138. Your password will be a word followed by two numbers.

Username:

Password:

Once logged on, you will be greeted with the home page for Maths Online. You should see some tabs towards the top of the page that read Lesson, Tasks, Results, Settings and History. You should see a large heading of “New South Wales Curriculum” and below it a subheading that reads your year group, followed by the specific topic and subtopic you are currently working on. After scrolling down, you can see the lessons that have been assigned for you by your teacher, click on any of these to begin!
