Term 2, 2024 School Sport Choices

Dear Parents/Guardians,

The following sports will be on offer to students during Term 2, 2024. Please read through the information to ensure your child selects an appropriate sport.

School Sport options will continue to be made through 'School Bytes'. Students will be able to make their choices from 5:00 pm Wednesday 20 March 2024, and they will be able to edit their choices up until 3:00 pm Sunday 24 March 2024. Any student who fails to make a sport choice during this time will be placed into School Sport Rotations

If students are choosing an Offsite Bus Sport a \$75.00 fee will need to be paid online or in person to the office by **Friday 5 April 2024**. This \$75.00 fee is the only payment that should be made to the office. **The weekly cost involved with each sport will need to be paid to the supplier/venue each week.**

The prices listed are correct at the time of publication, but there may be alterations during the year.

Changes to sport choices will only be made on medical grounds and require documentation.

Additional Information:

- Students who take part in Offsite Sports must return a permission and medical consent note. These are sent out via email and require an online submission. If students require a hardcopy version, they need to see a PDHPE staff member and return it to the PDHPE Staffroom once completed. Students cannot leave school grounds without a permission note.
- No refund of bus payment for non-attendance at sport will be issued.
- If there is a need to leave sport on a Wednesday afternoon, a note explaining the reason is to be taken to the Administration Office before school to apply for an Early Leaver Pass.
- Sports uniform must be worn to sport and all other clothing should be appropriate for the sport being undertaken.

Regards,
Mr Tyrie
